

**Pressure Gauge,
Bourdon tube type**

Function:

Pressure gauges are used to indicate the compressed air pressure.

Technical Data:

Type	APG1-50/14	APG2-50/14
Art. No.	175001	175002
Connection	1/8"	1/4"
Connection position	Centre, back side	
Indicating range	0...200 psi (0...14 bar)	
Dial size	50 mm	
Fluid	Compressed air	
Design	Bourdon tube	
Temperature range	-20...+60 °C	
Body	Steel housing, black painted	

Dimensions (mm):

Type	A	B	C	D
APG1-50/14	50	28	52	1/8"
APG2-50/14	50	28	52	1/4"
